Patient acknowledgement

I confirm that I have been informed about the details of the Fulgent prenatal NIPT/NIPS test, including the purpose, capabilities, and limitations of the ordered tests. I have read the Informed Consent document provided by Mount Sinai Services and I give permission to Fulgent Genetics and its entities to perform genetic testing as described. More information is available at www.fulgentgenetics.com/policies/privacy-policy

Confirmation number (Mandatory for blood draw)

X _____ Patient signature (Required)

_____ Date (mm/dd/yyyy)

Statement of informed consent

By signing below, I, the ordering Medical Provider, confirm that testing is medically necessary and that test results may impact medical management for the patient. I attest that the patient has been fully informed about the purpose, capabilities, and limitations of the ordered test. The patient has voluntarily given his or her full consent for the ordered test and a signed copy of this consent is available on file. Any Informed Consent that the patient agrees to at a later date will supersede and replace this Informed Consent.

X _____ Ordering provider signature (Required)

_____ Date (mm/dd/yyyy)

Clinical information

Gestational age*: _____weeks _____days

Patient must be at least 10 weeks 0 days gestational age for testing.
